CHILDREN'S SERVICES

Child Care Center

Supporting adults and children on their life's
journey towards independence.

FRASER CHILD CARE CENTER

Fraser Child Care Center provides a nurturing, secure, and learning environment for ALL children, encouraging inclusion of children with special needs and those who are typically developing.

The Center is a licensed child care provider; ensuring a healthy and safe atmosphere.

Staff work with the families to provide an appropriate and stimulating environment. Staff support a child's efforts to question, explore, experiment, and problem solve.

We provide:

- # Child Care for ages 6 weeks to 12 years of age
- # Family, friendly services to assist busy families. Hours of operation are 6am to 6pm, Monday through Friday
- # Full/Part-time enrollment accepted
- # Dietician and USDA approved meal program

Fraser Child Care Center implements a developmentally appropriate curriculum for each classroom, meeting the needs of children individually. Teachers plan activities in the domains of:

- # Cognitive Development – math, science, problem solving
- # Physical Development – gross motor skills such as running, jumping, skipping, balance and coordination; fine motor skills such as drawing, writing, hand-eye coordination
- # Language Development – literature, speaking skills, writing skills, reading skills, language development
- # Social/Emotional Development – sense of self, responsibility for self, developing friendships, empathy and respect for others
- # Creativeness – art, music, dramatic play
- # Sensory Experiences –exploring colors, textures, sounds, sights, tastes, smells and patterns in the world around us!
- # S.M.A.R.T. (Stimulating Maturity through Accelerated Readiness Training)

Staff are qualified and experienced professionals who have realistic expectations for a child's development.

Fraser focuses on prevention, believing that early identification and intervention is the key to a child's success. Therefore, staff are trained on childhood disorders/illnesses; recognizing early signs to assist families in getting the help they need.
