December 2011

Dear Friend,

The best things in life are not always seen but felt in the heart. We may not always be able to measure their worth but we recognize their value and we know how they make us feel. How we feel about something is deeply personal, affected by our own experiences. Giving people an opportunity to make a choice about their life experiences empowers them and leads to independence.

At Fraser, Ltd. we guide the journey to independence by providing supports and skill development opportunities in basic need areas such as housing, food, and medical supports. At times these needs become intense.

Over the past year our professional staff have assisted many individuals in accomplishing their goals, among them; elderly individuals with end of life issues..., aid to a youth without family support receiving chemotherapy treatment..., and assisting new parents with a special needs infant. Fraser, Ltd. supported over 1,200 individuals down their path to independence in 2011.

Be assured we value your dollars and 89% of the donations we receive are funneled back to support our services and programs. Fraser, Ltd. was also honored as 2011 ChamberChoice Not-For-Profit of the year by the tri-city Chamber of Commerce. We take quality of service to heart and appreciate deeply the support of our community.

Thank you if you have given to us this past year. If you are looking to make an end of year donation please consider Fraser, Ltd. as an option to invest in a local not-for-profit. Donations can be made online at <http://www.fraserltd.org/donations> or checks can be mailed to our administrative offices at 2902 South University Drive, Fargo, ND 58103.

Sincerely,

Sandra Leyland,
Executive Director

PS: When you think with your heartthe essentials are obvious.
